

## Ania Mini Desk

The ergonomically designed Ania Mini Desk features a two-position sloping, curved front desk lid, closing in either a horizontal or sloping position. A handy internal magnetic memo board lies under the lid and an integrated pull-out shelf is large enough for most laptops, creating more work space.

The work surface is finished in durable plastic laminate. Other materials are solid wood, wood veneer over plywood, metal and rubber/cork.

**Size** 860mm wide x 500mm deep x 825mm high in its closed position
